

Conclusion

After careful consideration of the new facts obtained on reconsideration, it is concluded that the workers of Kerr-McGee Corporation, Oklahoma City, Oklahoma and the various locations throughout the States of Oklahoma, Texas, Wyoming and North Dakota were adversely affected by increased imports of articles like or directly competitive with crude oil and natural gas contributed importantly to the declines in sales or production and to the total or partial separations of workers of Kerr-McGee Corporation, Oklahoma City, Oklahoma and the various locations throughout the States of Oklahoma, Texas, Wyoming and North Dakota. In accordance with the provisions of the Act, I make the following certification:

All workers of Kerr-McGee Corporation, Oklahoma City, Oklahoma (TA-W-33,054) and operating in various locations throughout the States of Oklahoma (TA-W-33,054A); Texas (TA-W-33,054B); Wyoming (TA-W-33,054D) and North Dakota (TA-W-33,054E) who became totally or partially separated from employment on or after December 19, 1995 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC this 5th day of May 1997.

Parkway Building Systems, Inc. Poulso, Washington; Notice of Termination of Investigation

Pursuant to Section 221 of the Trade Act of 1974, an investigation was initiated on March 31, 1997 in response to a worker petition which was filed on March 31, 1997 on behalf of workers at Parkway Building Systems, Inc. located Poulso, Washington.

All workers were separated from the subject firm more than one year prior to the date of the petition signed on March 19, 1997. Section 223 of the Act specifies that no certification may apply to any worker whose last separation occurred more than one year before the date of the petition. Consequently, further investigation in this case would serve no purpose, and the investigation has been terminated.

Signed in Washington, DC, this 30th day of April, 1997.

Ryobi Motor Product Corp., Anderson, SC; Amended Certification Regarding Eligibility to Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on December 4, 1996, applicable to all workers of the Ryobi Motor Product Corporation Anderson, South Carolina engaged in the production of BT 3000 table saws. The notice was published in the **Federal Register** on December 4, 1996 (61 FR 67858).

At the request of the company, the Department reviewed the certification for workers of the subject firm. New findings show that worker separations occurred due to the relocation of the production of power tool dust collection bags from the Anderson, South Carolina plant to a plant located in China during the later part of 1996. These workers were engaged in employment related to the production of dust collection bags used as a component part of various power tools from its own facility in Pickens, South Carolina.

Accordingly, the Department is amending the certification to cover workers engaged in the production of power tool dust collection bags at the subject firms' Anderson, South Carolina plant.

The intent of the Department's certification is to include all workers of Ryobi Motor Products Corporation, Anderson, South Carolina adversely affected by increased imports of BT 3000 table saws and power tool dust collection bags.

The amended notice applicable to TA-W-32,845 is hereby issued as follows:

All workers of Ryobi Motor Products Corporation, Anderson, South Carolina engaged in employment related to the production of BT 3000 table saws and power tool dust collection bags (TA-W-32,845) who became totally or partially separated from

employment on or after October 14, 1995 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington DC, this 2nd day of May, 1997.
